Rate Schedule for Tug Assists

Effective 07/01/2020

HONOLULU & KALAELOA BARBER'S POINT HARBORS

Rates (less fuel)

	Standard	Weekend/Holidays
Hourly Rate	\$1885 / hour	\$2250 / hour

Terms

For service at Honolulu Harbor (HNL) and Kalaeloa Barber's Point Harbor (KBPH): If the tug is already located at the harbor where the assist is required, a one hour minimum callout applies and the rate starts 15 minutes prior to the scheduled assist time until the tug returns to the pier.

If a transit is required, the rate starts 15 minutes prior to underway time until the tug is secured back at the pier/harbor where it departed.

If necessary, additional time is billed in 15 minute increments at the applicable hourly rate.

Fuel billed at actual tug consumption times current market rate for the move including the transit between Honolulu and KBPH. Normal tug fuel consumption averages 50 gph but will vary dependent on power requirements.

Scheduling

Six hour minimum notice must be given when ordering harbor tugs; however for weekends and holidays, notice must be provided by 1600hrs the day prior to requiring service. Four hours notice must be provided for a delay or cancellation at no charge. However, six hours notice must be provided if a transit is involved between Honolulu and Kalaeloa Barber's Point Harbor.

Salvage and Assist to Vessels in Distressed

When assisting vessels that are disabled, stranded or in distress, the rates will be negotiated.

TRANSIT RATES FOR ALL PORTS IN HAWAII

HARBOR TUGS

One tug stationed in Hilo, Kawaihae, Kahului and Nawiliwili. Three tractor tugs and one conventional tug stationed at Oahu for Honolulu and Kalaeloa Barber's Point Harbors.

Transit rates are provided for when the client either needs a two tug assist or when the client needs an assist in a port where P&M does not have a tug stationed.

P&M Marine Service will first utilize reciprocal agreements with other companies that have tugs in the applicable port in order to minimize the cost of tug service to the client. If tugs are not available through these agreements, P&M will transit tugs at the following rate per mile per transit:
